Brian-

Is it okay if I signed "Marie St. Peter for GH" on this inspection report? Signature line says it's supposed to be report author.

Here's the log, and I added the attachments to the report. Marie, if you create the CD and print these two documents (and replace the old versions in the package folder), we should be set. Feel free to sign for me if we need to switch out the signature page.

Thanks,

Gina

We need to attach the photos (from the first inspection) on a CD. Do you mind creating the CD and the log? I attached the log generator in case you don't have it already.

I have a few edits. Nothing substantial. I also had one question.

Gina, I am out of the office next week until the 24<sup>th</sup>. If you're trying to get the second inspection report completed before it becomes late, I would need it in the next day or so.

Thanks  
Marie
